Mortgage Solution Spotlight:

FHA 203(k)

The FHA 203(k) loan allows you to purchase or refinance a primary residence and make personalized improvements to the property with one loan closing. The projected improvement costs are held in an Escrow account and disbursed as work is completed and inspected. The loan amount is based on the projected market value of the property when all repairs are completed.

The FHA 203(k) is the ideal product for “less than perfect” homes for sale or to modernize your current home. Contact your HomeBridge Financial Services, Inc. Mortgage Loan Originator to see how the 203(k) is the perfect loan for the “almost perfect” home.

The HomeBridge Financial Services, Inc. team's experience and expertise enable us to make the mortgage process fast, easy and understandable. Our flexibility allows a customized and unique approach to home lending. Please call me to discuss this or any of our other home mortgage solutions.
